District Ganga Committees (DGCs) have been functioning in the districts very effectively since the starting of the 4M meetings in April, 2022. National Mission for Clean Ganga (NMCG) considers them as a key institution for implementing/taking forward the initiatives launched under Namami Gange. The Digital Dashboard developed for Ganga Districts Performance Monitoring is being updated regularly by the DGCs on its activities and 4M (Monthly Mandated Monitored and Minuted) meetings. A list of 139 DGCs headed by the District Magistrates/Commissioners in the States of Uttarakhand, Uttar Pradesh, Bihar, Jharkhand & West Bengal is annexed.

2. DGCs deliberate on various ongoing projects including sewerage treatment, biodiversity, afforestation, construction of crematorium, Ghats etc. of NMCG in the districts. Under the Arth Ganga, NMCG is also promoting Natural Farming, Agroforestry, Tourism, Boat Tourism, Fisheries, Biodiversity & Wetlands, skill development and handicrafts etc. with the objective of increasing economic activity and income of the people in the Ganga Basin.

3. To facilitate this, a dedicated cadre of District Project Officers (DPOs) & State Project Assistants (PAs) has been developed in 55 districts under the "Involvement of Youth in Namami Gange" joint Project of NMCG and NYKS. These DPOs have been working in coordination with DGCs. The project is ending on 31st May 2023 and it has now been decided to place these DPOs directly with DGCs, and delink them with NYKS.

- 4. At present, 49 DPOs are in position (list enclosed) and they may be issued a letter of engagement by the DGCs from 1st June, 2023 onwards. The guidelines for recruitment of DPOs, their role and responsibilities, performance review, remuneration etc. are enclosed.
- 5. As, it is proposed to have one DPO in all the existing 139 DGCs, remaining 90 DPOs have to be recruited by the DGCs concerned. They should be recruited as the guidelines enclosed. The process of recruitment should be completed by 31st July,

- 6. As the DPOs will function as the Secretariat of the DGC, these DPOs should be provided with suitable space by the DGCs along with necessary office infrastructure.
