

Indian Institute of Science Education and Research (IISER), Bhopal

Advertisement for Research Associate - I (RA - I)

Feb 06, 2024

Applications are invited for the Research Associate - I (RA - I) in the research area of Synthetic Organic Chemistry under the DAE-BRNS funded research project (58/14/30/2022-BRNS/37101) in the Department of Chemistry at IISER Bhopal (Project No. BRNS/CHM/2022-2023/39)

Project Title: Total Synthesis of Avarane Meroterpenoids via Gold-Catalyzed Enyne Cycloisomerizations

Eligibility Criteria: Ph.D. in chemistry with expertise in catalysis and synthetic organic chemistry. The preference will be given to the applicants who have a strong track record. Those who have submitted their doctoral thesis but have not yet received Ph. D. degree are also eligible to apply.

Salary: Rs. 47,000/- (Consolidated) + HRA as per DAE-BRNS norms

Duration: Initially for one year (extendable up to next two years if the performance of the candidate is satisfactory).

How to Apply: The applicants should send their complete CV including names of two referees and copies of all academic certificates (single PDF file) to **Dr. Nitin T. Patil** (npatil@iiserb.ac.in) by email. The subject of the email should be *Application for RA position under BRNS Project*. Only the shortlisted candidates will be informed about the date of online interview.

Last date of receiving applications is Feb 17, 2024.
